CANCELLATIONS

Vendors are required to notify the market manager 72 hours in advance of a market cancellation. No-Show, No-call Vendors or Vendors canceling within 72 hours prior to market will owe their \$45 booth fee if not already paid and will be charged a \$35 fee, to be paid in full before participation in the next Market Event. This fee will be collected via Venmo. Exceptions to this fee can be made at the discretion of Market staff and will depend on the circumstances of each individual case.

The Market is required to notify vendors within 24 hours of a market cancellation due to special circumstances (emergency situations, severe weather, etc.).

VENDOR ELIGIBILITY

Participation in The Market is open to farmers, growers, cottage food producers (hereafter, "Food Vendors"), and artisans (hereafter, "Artisanal Vendors") in Nederland, CO and surrounding communities. The market manager and selection committee aim to create a balance of 50% Food Vendors and 50% Artisanal Vendors when possible.

Preference is given first to Nederland Vendors and agricultural producers, and then extends out to the surrounding mountain and Boulder metro areas.

- ALL VENDORS must be the producer. A producer is defined as the person who grows or makes the product, and may also include the producer's immediate family, partners, and/or employees.
- ALL VENDORS must be in full compliance with applicable laws and are responsible for such compliance.
- ALL PRODUCTS must be made by the Vendor. Preference will be given to products made from local and/or natural materials.

No re-sales by vendors are permitted*, but cooperative sales will be allowed.

Cooperative sales are those in which a producer/vendor sells products in conjunction with (or occasionally on behalf of) another producer/vendor. In any cooperative selling arrangement, each partner producer must submit their own Market application (satisfying The Market's requirements),

just as any other vendor, identifying which seller will be at the Market. Please make sure to check the box on the application marked 'Cooperative Booth' and write in the name of the partner applicant. Each Vendor may sell at only one booth, and each booth may have a maximum of two vendors per event. All cooperative booths must consist of the same type of vendor, ie: both Food vendors, or both Artisanal vendors. This helps us ensure the correct count of Vendors.

Please note this is a Zero-Waste event. Only Recycling Waste Bins and Composting Waste Bins will be made available. Please plan accordingly.

*The Nederland Farmers Market will operate a table, to profit for the Market as a whole, at which they may resell locally produced products that are not in conflict/competition with other Market vendors.
